PLEASE BE ADVISED, THE BOARD OF COUNTY COMMISSIONERS OF CHEYENNE COUNTY, KANSAS, has declared a State of Emergency in response to COVID-19 this 19th day of March, 2020.

BY ORDER OF THE CHEYENNE COUNTY COMMISSIONERS access to the Cheyenne County Courthouse will be restricted immediately and until further notice. All county employees will be expected to report to work as normal and work normal business hours. Any citizens having business with one of the county offices is asked to call that office first. If the business can not be completed over the phone, then the citizen is to answer screening questions and schedule an appointment with said office. The county employee is then to advise dispatch the citizens name and date and time of appointment. The courthouse will be locked and there will be only one point of access. That access point will be the handicap door located on the west side of the building. The citizen is to enter the door and ring the doorbell to alert dispatch to let them enter. The citizen must have an appointment or have obtained permission for access prior to trying to obtain entry into the building.

This is being done in an overabundance of caution to ensure the safety of the citizens of Cheyenne County and it's employees.
